

33rd Annual Outing Redford Commission on Youth & Families

The Redford Commission on Youth and Families is dedicated to improving the life and experiences of kids and their families here in Redford Township. By securing partnerships with multiple businesses, community groups, and municipal departments, we are excited to provide sponsorships for educational and enrichment programs in Redford Township.

This golf outing is our main fundraiser each year and all of the proceeds greatly assist the Commission in carrying out our goals.

The Redford Commission on Youth and Families is consistently looking to build new relationships in an effort to create more impact in Redford Township.

Glenhurst Golf Course
